261 Collection consists of over 1,500 slides donated to the Delaware Agriculture
Museum. These slides are from the University of Delaware's Cooperative
Extension Service which works hand in hand with the College of Agriculture and
Natural Resources.
270 This collection consists of images pertaining to agriculture, Delaware State
Fair, sheep shearing, farm machinery, dairy tours, livestock, Bombay Hook, 4-H
club events, drainage ditches and more. These slides feature scenes from events
taking place in other states as well. There are even slides from trips to
Disneyland, a farmer's market in Los Angeles, and Kentucky.
