261 Slides compiled for use in various agricultural-related presentations.  
270 This collection includes four slide presentations consisting of over 300 slides. The slides show images of broiler houses, pasture tours, 4-H events, Delaware Greenway Field Day, silos, farms, DHIA (National Dairy Herd Information Association) tours, and more. One presentation was on the history of the peach industry in Delaware by Dr. Dave Bryan and includes a typed description of each slide.
