261 Typed report by County School Superintendent Jump and four County Board members who visited selected rural schools in New Castle County. The report describes conditions at the schools and has recommendations to improve building conditions.
270 The schools are Shellpot, Forwood, Eight Square, Sharpley, Rockland, Clinton, Yorklyn, Hockessin, Brandywine Springs, Marshallton, and Stanton. For each school there may be a description of the type of construction and the school grounds, if there is room for expansion, and improvements suggested. The year of construction and number of students is given for a few schools.
