261 The Brandywine Springs Association was an organization that was created in February 1950 to assist in maintaining the historical importance of the Brandywine Springs Park. The organization not only wanted to make the former Brandywine Springs Park a public park again, but to get the local community involved as well. These records relate to those activities.
270 Their administrative files consist of business correspondence between Brandywine Springs Association board members and Wilmington Parks and Recreation, board meeting agendas, and member nominations lists. There are also documents pertaining to the upkeep of Brandywine Springs Park including maintenance bills and reports, and maps of the park's property. Two House of Representative Calendars of Bills from March 21, 1950 and a list of the House Committees are also present, along with notes reminding the Brandywine Spring Association to write to senators John E. Reilly, Clifford Pryor, Wilmer F. Williams, Eugene Lammot, and Calvin R. McCullough. A dedication ceremonies program brochure from July 29, 1956 about Brandywine Springs State Park being the first park in Delaware to be bought and built from the budget of the State Park Commission is also a part of the administrative files. Other files found were bank statements and letters between the Brandywine Springs Association and the Equitable Security Trust Company, a bank account card, and a statement and newspaper clipping explaining the association's cessation in 1963.
