261 Scrapbook believed to have been compiled by Sallie J. Beers containing many colorful illustrated business advertising cards.
270 Beers was born about 1875 in Allentown, Pennsylvania, and her family had moved to Dover by 1880. Many of the advertising cards are from businesses in the Bethlehem, Pennsylvania area. There are several from Loockerman Street, Dover, including William R. Gieser, George W. Baker, Mrs. L. B. Benn, J. Y. Stewart, and one Christmas card from C. M. Carey in Wyoming, Delaware. There are also a number of illustrations cut from cards and some personal cards from acquaintances. The only dates that appear in the scrapbook are 1872 and 1883.
