261 Record of the meetings of the Advisory Committee of the Fruit Growers
Office the Farmers Bank. In 1972 the name was changed to the Advisory
Committee of the Smyrna Office.
270 The Minutes show the date and place of the meeting, names of members
present, and the business discussed. The meetings dealt mostly with the
approval of loans and provide the names of applicants, amount and type
of loan requested, and if approved or rejected. Starting in 1971,
individual loans are not present in the Minutes. Instead, discussion of
financial statements, comparative figures for Kent County branches,
amount of monthly loan applications, amount of total loans outstanding,
presentations on new bank programs, donations made to local
organizations, appointment of Committee members, divestiture of the
State stock from the Bank, and lists of members of other branch advisory
committees are noted. There is little discussion of the financial
difficulties of the bank in the 1970s or its sale to Girard Bank in
1978.
