261 Various types of records compiled by the president. Established in 1995, the Friends (FODA) was created to lobby and petition for a new Delaware Public Archives (DPA) building and to enhance the ability of the Archives to fulfill its responsibilities to the state's citizens by supporting activities that might otherwise not have been undertaken due to limited government funding.  
270 Records include the organization's minutes, newsletters, membership lists, treasurer's reports, annual meeting documentation, incorporation records, bylaws, Internal Revenue Service forms, lists of gifts and aid to the DPA, petition drive materials, and copies of newspaper clippings. Other records present are DPA newsletters, especially relating to the new building, lists of Board of Directors, the FODA brochure and stationery, Delaware Day Symposium advertisements and correspondence, funding raising efforts, DPA gift policy guidelines, and a strategic plan.
