261 Primarily a daily record of the weather believed to have been kept by a
Magnolia area farmer.
270 The Diary shows the day and date, type of weather (clear, cloudy, rain,
snow, etc.), wind direction, and temperature degrees. Occasionally there
are notations on deaths, crops planted, sprayed, or harvested, current
events, farm animals butchered, crop prices, muskrat hide price, the
purchase of an automobile, and the day Magnolia turned electric lights
on.
