261 Primarily minutes of the Sussex County Board of Elections and Board of Registration. Hatfield was the secretary for both boards. He lived in Greenwood.
270 Board of Election minutes show the location, date, and time of meeting; members and employees present; and business discussed. Subjects include the appointment of registrars and election clerks and approval of expenses. Also present are lists of election clerks for each election district which show the political party affiliation and town of residence.

The Board of Registration minutes show the location, date, and time of meeting; members and employees present; names of applicants registered including the registration number, election district number, and representative district number; and approval of expenses. Included are lists of registration officers for each election district which show the political party affiliation and town of residence. Lists also show the registration day, place, and location for each district.

Also included are a general election notice, 1944; a registration notice, 1944; a letter to Hatfield relating to the participation of the Delaware Rural Electric Association in the war bond program, 1942; and a letter from the Women's Division of the Delaware War Savings Staff to Mrs. Hatfield about the war savings program, 1942.
