261 Primarily newspaper clippings compiled by Elwood Lynch (1908-2002)
relating to mosquito control efforts. Lynch started his career with the
Civilian Conservation Corps in 1933 and joined the Delaware Mosquito
Control Commission in 1935. In 1940 its functions were transferred to
the State Highway Department. He remained with the Department as a
Mosquito Control Engineer until 1949 when he was terminated due to a
change in political party control.
270 Subjects include the use of DDT and Paris Green, the effects of DDT on
wildlife, use of German prisoners of war, Fort DuPont, Dover Army Air
Base, New Castle County Army Air Base, muskrats, Bombay Hook Wildlife
Refuge, and aerial spraying.
