261 Record of the Advisory Committee which was formed to build consensus among stake holding groups relating to formation of Coastal Zone Act (CZA) regulations. Their recommendations would assist the Secretary of the Department of Natural Resources and Environmental Control in proposing effective and long-lasting regulations to the Coastal Zone Industrial Control Board.
270 The Notebook has a list of the Committee members, a copy of two speeches by Russell W. Peterson about the Coastal Zone Act and "Developing in the Green," a CZA Facts Packet, the act, memorandum of understanding, public forum presentation materials, photocopies of aerial photos, meeting minutes, and working papers. Also included is correspondence, newspaper clippings, and a draft copy of "Regulations Governing Delaware's Coastal Zone."
