261 Record of the members who were initiated into the Washington Camp Number 10, Patriotic Order Sons of America, a patriotic and nativist national organization. A majority of the members for this camp were from the Magnolia area.
270 The book is divided into three sections: the National Camp constitution, a chronological list of members, and membership approval forms. The list of members shows the person's name, age, occupation, place of residence, and date of initiation. The forms show the name of the proposed member, his age, birthplace, residence, occupation, names of the committee members who investigated his character, date he was elected or rejected, and date of his initiation.
