420 2014075
430 These records were retrieved from the Landmark House, SW corner of State and Division Streets, Dover. The house was formerly owned by Muriel Schwartz who sold the property to a law firm in 2014. Before renovations could take place, they needed to clear out the house and the architectural drawings and photographs were offered to DPA by a firm partner. Most of the photos were removed from vinyl pages in binders.
