261 Typed transcriptions of interviews conducted by George Vapaa, former Kent County Agricultural Agent. These interviews were conducted as part of a University of Delaware project to collect the stories of residents who had moved to Delaware.  
270 Interviews were conducted with Dr. Willie G. Adams, Delaware State College and Extension Service; Alfred E. Bissell; George and Annette Butler, teachers; William H. Henderson, Sussex County Agricultural Agent; Joseph Jackewicz family, farmers; Jack Smyth, editor of the Delaware State News; and Ernest and Frances Vogl, farmers. The interviews generally discuss their life and family before moving to Delaware and their careers in the state.
