995 July 14, 1997; August 14, 1997; August 31, 2017

999 Notes: The recordings are only for the month of April in 1936. Dates of recordings were performed mainly on Mondays and Tuesdays. By reviewing the place of residence, activity here was mobile. It appears that whatever action was being performed it operated at different times in the different counties. From a short sampling of names through Ancestry, those identified were of senior citizen age. Many of the recorded names were married couples.
