AN ACT to amend Chapter 6 of the Revised Code of the State of Delaware, in relation to the identification of motor vehicles.

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

Section 1. That 254 Section 217 of Chapter 6 of the Revised Code of the State of Delaware be and the same is hereby amended by adding thereto the following new section to be styled "254-K Section 217-K."

254-K Section 217-K. No certificate of the registration of any motor vehicle or registration tags therefor, whether original issues or duplicates, shall hereafter be issued or furnished by the Secretary of State unless the applicant therefor shall at the same time make application for and be granted an official certificate of title of such motor vehicle, or shall present satisfactory evidence that such a certificate has been previously issued to the applicant covering such motor vehicle. Said application shall be upon a blank form to be furnished by the Secretary of State, and shall contain a full description of the motor vehicle, together with a statement of the applicant's title and of any liens or encumbrances upon said motor vehicle. The secretary of state shall use reasonable diligence in ascertaining whether or not the facts stated in said application for a certificate of title are true, and if satisfied that the applicant is the lawful owner of such motor vehicle or otherwise entitled to have the same registered in his name, shall thereupon issue an appropriate certificate over his signature and sealed with the seal of his office, procured and used for such purpose. Said certificate shall contain such description and other evidences of identification of said motor vehicle as the Secretary of State may deem

MOTOR VEHICLES

reasonably necessary and proper, together with a statement of any liens or encumbrances which the application may show to be thereon. The charge for each original certificate so issued shall be one dollar (\$1.00), which charge shall be in addition to the charge for the registration of such motor vehicle. Said certificate shall be good for the life of the car, so long as the same is owned or held by the original holder of such certificate, and shall not have to be renewed annually. In the case of motor vehicles now owned and already registered in this State during the year 1921, an application for a certificate of title, accompanied by such evidences of ownership and liens as the Secretary of State may require, shall be made within ninety (90) days after this Act becomes effective. Immediately upon the passage of this Act, it shall be the duty of the Secretary of State to cause to be printed copies of this section and to mail to every person to whom he has issued a certificate of registration for the year 1921 one of such printed copies accompanied by a specific notice that the title of such motor vehicle must be registered as herein provided. After the expiration of said ninety days, it shall be unlawful and a misdemeanor, punishable by a fine of not less than five dollars (\$5.00) nor more than one thousand dollars (\$1,000.00), for any person to operate in this State a motor vehicle under a Delaware registration number unless such certificate of title shall have been issued as herein provided. In the event of the sale or transfer of the ownership of a motor vehicle for which an original certificate of title has been issued as aforesaid, the original holder of such certificate shall endorse on the back of the same an assignment thereof, with warranty of title in form printed thereon, with a statement of all liens or encumbrances on said motor vehicle, and deliver the same to the purchaser or transferee at the time of the delivery to him of such motor vehicle. The purchaser or transferee shall then present such certificate, assigned as aforesaid, to the Secretary of State, at the time of making application for the registration of such motor vehicle, whereupon a new certificate of title shall be issued to the assignee, the charge therefor being one dollar (\$1.00). Said original certificates, when so assigned and returned to the Secretary of State, together with subsequent assignments of reissues of certificates, shall be retained by the Secretary of

MOTOR VEHICLES

State and appropriately indexed, so that at all times it will be possible for him expeditiously to trace title to the motor vehicle designated therein. Beginning with the expiration of ninety days from the date upon which this Act becomes effective, and thereafter, it shall be unlawful and a misdemeanor, punishable by a fine of not less than five (\$5.00) nor more than one thousand dollars (\$1,000.00), or by imprisonment for not more than ten (10) years, or both, for any one to sell or to purchase within the limits of this State any motor vehicle, unless at the time of the delivery thereof there shall pass between the parties such certificate of title with an assignment thereof in the form prescribed by the Secretary of State. Any person who shall knowingly make any false statement, either in his application for the ownership certificate herein provided for or in any assignment thereof, or who, with intent to procure or pass title to a motor vehicle which he knows or has reason to believe has been stolen, shall receive or transfer possession of the same from or to another, or who shall operate or be an occupant of any motor vehicle which he knows or has reason to believe has been stolen, shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than five hundred dollars (\$500.00) or more than five thousand dollars (\$5,000.00), or by imprisonment for not less than sixty (60) days or more than five (5) years, or by both fine and imprisonment, in the discretion of the court. This provision shall not be regarded as exclusive of other penalties prescribed by existing or any future law for the larceny or unauthorized use of a motor vehicle. In the case of manufacturers and dealers in motor vehicles, motorcycles, side-cars or trailers, all of which are intended to be covered by this and all other provisions of this section, a separate certificate of title, either of such dealers immediate vendor, or of the dealer himself, shall be required in the case of each motor vehicle in his possession, and the Secretary of State shall determine the form in which applications for such certificates of title and assignments thereof shall be made, in case forms differing from those used in case of individuals are in his judgment reasonably required; provided, however, that no such certificates shall be required in the case of new motor

MOTOR VEHICLES

vehicles sold by manufacturers to dealers as the term "dealers" is defined in 238 Sec. 201 of this Act.

The receipts of the Secretary of State under the provisions of this section shall be set aside and retained by him in a separate fund, and used: First, to meet the additional expenses of his office necessitated by the registration and recording herein required; the balance of such fund to be used by him in the employment of additional assistants, and measures to prevent, so far as reasonably possible, the theft of automobiles and disposition of stolen automobiles in this State, and for no other purpose. If, at the end of any year, there is a balance in said fund said balance shall be carried into the next year for the uses aforesaid, and shall not revert to the State Treasury.

In the case of a lost certificate, the loss of which is accounted for to the satisfaction of the Secretary of State, a duplicate may be issued; the charge therefor to be fifty (50) cents.

Any person who shall alter or forge any certificate of title issued by the Secretary of State pursuant to the provisions of this section, or any assignment thereof, or who shall hold or use any such certificate or assignment knowing the same to have been altered or forged, shall be deemed guilty of a felony, and, upon conviction thereof shall be required to pay a fine of not less than one thousand dollars (\$1,000.00) nor more than five thousand dollars (\$5,000.00), or in default of the payment thereof be imprisoned for a period of not less than one (1) year, nor more than ten (10) years, or be both fined and imprisoned, in the discretion of the Court.

Any person who removes, defaces, alters, changes, destroys or obliterates, in any manner or way, or who causes to be removed, defaced, altered, changed, destroyed or obliterated, in any manner or way, any trade mark, distinguishing or identification mark, serial number or mark on or from any motor vehicle, as defined in this Act, or who shall sell any such motor vehicle, knowing the same to be in such condition, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be

MOTOR VEHICLES

subject to a fine of not exceeding one thousand dollars (\$1,000.00), or by imprisonment for any term not exceeding seven (7) years, or both, in the discretion of the court.

Any person having in his possession or custody (as owner or otherwise) at the time of the enactment of this section, a motor vehicle on which or from which any trade mark, distinguishing number or identification number, serial number, or mark has been, or is, covered, removed, defaced, destroyed or obliterated, or altered or changed in any way, shall within sixty (60) days from the passage of this Act, file with the Secretary of State a verified statement showing the source of his title, the proper trade marks, identification or distinguishing number, serial number or mark, if known; and, if known, the manner of and reason for such mutilation, change, alteration, concealment or defacement, the length of time such vehicle has been held and the price paid therefor; and no prosecution shall be had under this paragraph when such statement has been properly filed and the new mark or number provided for in this Section properly substituted; otherwise the penalty prescribed in this section to be imposed.

Any person who shall, after the enactment of this section, come into possession or custody (as owner or otherwise) of any motor vehicle from which or on which any trade mark, distinguishing or identification number, serial number or marks has been or is covered, removed, defaced, destroyed or obliterated; or altered or changed in any manner or way, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be subject to a fine of not less than five dollars (\$5.00) nor more than one thousand dollars (\$1,000.00), or imprisonment for not more than seven years, or both, in the discretion of the court, unless such person shall, within ten (10) days from the time when such motor vehicle shall have come into his possession, file with the Secretary of State the verified statement required by this Section, and substitute a new distinguishing mark or number as next hereinafter provided.

In the case of an obliterated or defaced mark or number

MOTOR VEHICLES

being reported as aforesaid, the Secretary of State shall assign a new distinguishing mark or number to be used in lieu of the one so obliterated or defaced, after which the mark or number so assigned shall be regarded as the one thereafter properly to be used within the meaning of this section after such mark or number is placed upon such motor vehicle in a permanent manner.

AUDITOR OF ACCOUNTS

AN ACT In relation to the property and money of the State and the receipts and expenditures of State moneys, and to the auditing of State departments, bureaus, divisions, offices, boards and commissions.

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

Section 1. On and after the first day of July nineteen hundred and twenty-one, it shall be unlawful for any State department, bureau, division, officer, board or commission to create any indebtedness or incur any obligation for personal service, work or labor, or for property, materials or supplies except by written or printed order or requisition according to the form prescribed by the Auditor of Accounts, and bearing the signed approval, (a) in the case of a State office, of the head thereof, or (b) in the case of a State department, bureau, division, board or commission, of the president or head officer thereof and of the secretary.

It shall be the duty of the Auditor of Accounts to prepare the form of such orders or requisitions as soon as practicable after the approval of this Act and prior to the first day of July nineteen hundred and twenty-one. There shall be a blank space on such form for the signature of the officer who must approve the order or requisition as aforesaid.

In the event of sickness or absence from the State of any officer whose approval is required on an order or requisition as aforesaid, he may designate some other person to give such approval during his sickness or absence, provided that he forthwith certify the name of such person and the reasons for the designation to the Auditor of Accounts; and such delegated authority shall cease as soon as the officer is able to resume his duties.

It shall be deemed a breach of duty for any officer to sign

AUDITOR OF ACCOUNTS

any order or requisition in blank, and a violation of this provision shall be a cause for removal from office.

Whenever any State department, bureau, division, officer, board or commission shall make any order or requisition, a duplicate thereof bearing the signed approval of the proper officer or officers as aforesaid shall be transmitted forthwith to the Auditor of Accounts whose duty it shall be to preserve the same and compare it with the bill or account rendered thereunder and to withhold his approval to any bill or account which varies from the respective order or requisition.

When the Auditor of Accounts shall have prepared a form for the orders and requisitions aforesaid, he shall communicate it to the Board of State Supplies whose duty it shall be to supply the several State departments, bureaus, divisions, officers, boards or commissions with a sufficient number of blank forms for use as orders or requisitions as aforesaid for the year.

Provided that none of the foregoing provisions of this section shall apply to the Board of State Supplies, nor to the Governor of this State, nor to the judicial department thereof.

Section 2. On and after the first day of July nineteen hundred and twenty-one no account or statement of indebtedness for any personal service, work or labor, or for property, materials or supplies performed for or furnished to any State department, bureau, division, officer, board or commission shall be deemed valid unless made out on a form prescribed by the Auditor of Accounts, and unless conforming to the provisions of Section 5 of this Act.

It shall be the duty of the Auditor of Accounts to prepare the form to be used in the making out of accounts or statements of indebtedness as aforesaid. Such forms shall contain a notice that no account or statement of indebtedness thereon shall be valid unless accompanied by the order or requisition authorizing such account or statement of indebtedness.

When the Auditor of Accounts shall have prepared a form

AUDITOR OF ACCOUNTS

for accounts or statements of indebtedness as aforesaid, he shall communicate it to the Board of State Supplies whose duty it shall be to supply the several State departments, bureaus, divisions, officers, boards or commissions with a sufficient number of blank forms for use as accounts or statements of indebtedness as aforesaid for the year.

Section 3. The Auditor of Accounts shall have the power to indicate to every State department, bureau, division, officer, board or commission the manner and method in which any and every form of indebtedness, including salaries of officers and employees, shall be presented to him; provided that nothing in this section shall apply to the Governor of this State or to the judicial department thereof.

Section 4. The provisions of sections 2 and 3 of this Act shall not be deemed to apply to salaries when the amount of salary is fixed by law.

Section 5. No money shall be drawn from the Treasury of this State to pay the salaries and expenses of employees of this State, or to defray the expenses of any State department, bureau, division, officer, board or commission, or for or on account of any contract for building or repairs, or for property purchased, or for work and labor performed or for materials or supplies furnished to any State department, bureau, division, officer, board or commission except upon itemized bills or statements in conformity with the preceding sections of this Act presented to and approved by the Auditor of Accounts. Such bills or statements must be presented to the said Auditor in duplicate bearing the signed approval, (a) in the case of a State office, of the head thereof; (b) in the case of a State department, bureau, division, board or commission, of the President or head officer thereof and of the Secretary; and bearing also a statement of the appropriation against which the expenditure is to be charged. Whenever a bill or statement is for materials or supplies furnished or work and labor performed under contract awarded by the Board of State Supplies, such bill or statement and duplicate thereof shall also bear the approval of the head officer and secretary of the

AUDITOR OF ACCOUNTS

said board. All bills or statements for personal expenses or mileage used, by or for any State officer, or member of any State department, bureau, division, board or commission, or any employee thereof, shall have a signed statement upon the face thereof to the effect that such expense was incurred, or mileage was used, only in the proper execution of the signer's official duties.

If the Auditor of Accounts finds the said bill or statement correct and according to the order or requisition which authorized it, and that it involves no violation of any provision of this Act or of any statute of the State of Delaware, he shall approve the bill or statement and the duplicate, and send both to the State Treasurer.

For the payment of salaries, pensions or any other appropriations for the expending of which bills or statements are not renderable, the Auditor shall present to the State Treasurer a voucher or warrant, in duplicate, which shall be signed by him, directing and authorizing the payment of the amounts due and payable. This voucher or warrant shall be in whatever form desired by the Auditor. Nothing in this Act shall be deemed to apply to the payment of principal or interest on any obligation of this State.

Section 6. The approval of any bill or statement by the Auditor of Accounts, or the presentation of any voucher or warrant signed by him shall be considered full authority for the payment of the same by the State Treasurer.

Upon the payment of the amount due by the State Treasurer he shall write or stamp upon the face of the bill or statement, voucher or warrant and the duplicate of the same, the number of the check drawn in payment thereof; and all checks shall be drawn in consecutive numerical order. The original bill or statement, voucher or warrant, shall be safely filed by the State Treasurer, pending the audit of his accounts. The duplicate of the bill or statement, voucher or warrant shall be returned to the Auditor and shall be safely filed by him in the consecutive order of the numbers of the checks of the Treasury Department. The Auditor

AUDITOR OF ACCOUNTS

shall enter the amount of the expenditure, the date of payment, to whom paid, the character or nature of the claim, the appropriation against which the same has been charged and such other information or data as he may deem desirable, in books kept for that purpose; and this record shall be kept in such a way as to be clear, informing and easily checked up, and shall be indexed so that the affairs and expenditures of every State department, bureau, division, officer, board or commission may be readily ascertained.

The Auditor is required and authorized, from time to time, to ascertain that the State Treasurer has drawn no checks other than those that have been accounted for in the manner herein provided.

Section 7. The Auditor may make such other requirements as will tend to safeguard or systematize the expenditures of the State's money; but he shall make no requirement that will unnecessarily interfere with the prompt payment of the amounts due, and under no circumstances shall he cause the payment of salaries of State officers to be delayed beyond the date upon which the same are due, nor shall he have the authority to countersign the checks of the Treasury Department.

Section 8. The Auditor shall examine all bills, statements, accounts and demands against the State and he may require affidavits that articles have been furnished, services rendered and expenses incurred, as claimed.

It shall be the duty of the Auditor to refuse to approve any bill or statement of indebtedness which has not been presented to him in conformity with the provisions of this Act, or which would more than exhaust the appropriation for which it must be paid, or which is not in accordance with the contract under which the said indebtedness was created, or where the State department, bureau, division, officer, board or commission shall have refused to furnish him with any information or data that he may require for the execution of his duties under this Act, or where said order or requisition, or said bill or statement of indebtedness involves

AUDITOR OF ACCOUNTS

any transaction or item not in accordance with law; but the Auditor shall have no right to refuse his approval except on the grounds aforesaid.

Provided that nothing in this section shall apply to the Governor of this State, or to the judicial department thereof, or to the principal or interest of any obligations of the State.

Section 9. No order or requisition shall be made, and no engagement entered into, and no expense incurred by any State department, bureau, division, officer, board or commission, which will result in an expenditure of money in excess of the appropriation made to such State department, bureau, division, officer, board or commission. No obligation incurred by any official or employee in violation of this section shall impose any liability upon this State.

Section 10. No greater sum than is necessary to meet expenses then incurred shall be drawn from the Treasury of this State for or on account of any State department, bureau, division, officer, board or commission; provided, however, that any State department, bureau, division, officer, board or commission authorized to expend any moneys on behalf of this State, may have money advanced to it from the State Treasury, in such sums and subject to such rules and regulations as the Auditor of Accounts may determine, for the following purposes and subject to the following conditions: To carry out provisions of law requiring weekly payments of wages, to secure cash discounts wherever possible, and to pay necessary expenses incurred by any of its officials or employees, when obliged to travel in the discharge of their duties. For other purposes, there may be advanced to it sums not exceeding One Hundred and Fifty Dollars (\$150.00) at any one time.

To secure such an advance, the head of the State department, bureau, division, officer, board or commission desiring the same must certify in duplicate to the Auditor what amount is needed, that it is needed for immediate use, and, as specifically as may be, the purposes for which the expenditure is required. The Auditor and State Treasurer shall deal with such certificates in the same

AUDITOR OF ACCOUNTS

manner as with bills or statements of indebtedness as in this Act provided.

In case of any such advance, the person or official making the certificate as aforesaid, shall within thirty days after receipt of an advance, file with the Auditor a detailed statement of the amounts expended with vouchers therefor and all advances so made shall be accounted for and vouchers therefor filed with the State Auditor before December first in each year.

Provided further that it shall be lawful for the State Treasurer during the last month of the fiscal year to set aside, out of the moneys appropriated but unexpended, a sum sufficient to pay all bills for which requisitions have been issued in accordance with the provisions of this Act during the said fiscal year, but which remain unpaid, provided the Auditor shall certify to him during said month that such requisitions have been made, and against what appropriations, and that the Auditor desires the setting aside of sufficient funds to pay the same; and moneys so set aside shall not be deemed or held to lapse or revert at the end of such fiscal year.

Section 11. If a check of the Treasury Department is spoiled and becomes useless, a note of such fact shall be made on the stub thereof, and the check shall be cancelled and handed to the Auditor, who shall file same in with the bills and vouchers hereinbefore provided for, and shall enter the same in a book as hereinbefore provided with respect to bills and statements of indebtedness.

Section 12. The Auditor of Accounts shall keep a distinct account, under appropriate heads, of all receipts and expenditures of State moneys. He shall keep a like account of all State property and of all debts and obligations due to and from the State.

For such purpose he shall have free access to the books and papers, dockets and records of the several State departments, bureaus, divisions, officers, boards or commissions receiving or expending any State money.

AUDITOR OF ACCOUNTS

Section 13. It shall be the duty of every State department, bureau, division, officer, board or commission to furnish the Auditor of Accounts in the month of December in each year with a distinct statement in writing of all property of the State under the control or jurisdiction of the said State department, bureau, division, officer, board or commission, and the cost price of such of said property as shall have been purchased by such State department, bureau, division, officer, board or commission within the twelve months next preceding said statement, and the estimated value of such other property as was purchased prior to said time. Such statement shall be certified to by the head of the State department, bureau, division, officer, board or commission making the same.

In the year of 1921, two statements shall be furnished to the Auditor as aforesaid, one in the month of June and the other in the month of December.

Section 14. It shall be the duty of all State departments, bureaus, divisions, officers, boards or commissions to furnish the Auditor of Accounts in the month of December of each year with an itemized statement of their pay rolls for the twelve months next preceding. Such itemized statement of their pay rolls shall be certified to by the head of the State department, bureau, division, officer, board or commission furnishing the same.

In the year 1921 itemized statements of their pay rolls as aforesaid shall be furnished in the month of June and in the month of December.

Section 15. It shall be the duty of every State department, bureau, division, officer, board, commission or institution to furnish the Auditor of Accounts in the month of December in each year with a detailed statement of all moneys collected by such State department, bureau, division, officer, board, commission or institution for the use of such State department, bureau, division, officer, board, commission or institution, or for the use of the State. Provided, however, that nothing in this section contained shall be construed to repeal the provisions of any law now in force

AUDITOR OF ACCOUNTS

authorizing any State department, bureau, division, officer, board, commission or institution to deduct from any moneys collected as aforesaid, any costs, fees or expenses which they are now entitled by law to deduct.

The Auditor of Accounts shall keep every such report on file in his office and shall make a record in a suitable book procured for that purpose of the essential data contained in every such report.

Section 16. No transfer of funds from one item of account to another on the books of any State department, bureau, division, officer, board or commission shall be made without the written approval of the Auditor of Accounts.

Section 17. It shall be the duty of the Auditor of Accounts at least annually to settle the accounts of every State department, bureau, division, officer, board or commission. The time and place for making such settlement shall be fixed by the Auditor, and he shall give at least six days notice thereof by mail to the State department, bureau, division, officer, board or commission affected. The Auditor may adjourn such settlement to another time or place.

He shall have power on such settlement, to add items to any account, to make corrections therein, and to settle the same according to justice; but no allowance shall be made without a voucher.

He shall also have power to command and compel persons to appear before him and give evidence or produce books, papers and writings; and for that purpose to issue process of subpoena and of attachment, and to commit to prison. He may make an order for the payment of costs and enforce obedience by attachment and imprisonment. For the purposes of this Act, he may administer oaths, and in such case, false swearing shall be deemed to be perjury and shall be punishable as such.

Section 18. Upon the discovery of any delinquency in any State department, bureau, division, office, board or commission, the Auditor of Accounts shall forthwith report the same to the Attorney General who shall thereupon take appropriate action in the premises.

Section 19. By and with the approval of the Governor, the Auditor of Accounts shall have the right to employ accountants, expert bookkeepers, stenographers and additional clerks to assist him in the examination of the books and accounts of any State department, bureau, officer, board or commission and in settling the accounts thereof, provided that the amount expended under this section shall not in any one year exceed the sum of Ten Thousand Dollars (\$10,000.00) ; and provided further that nothing in this section contained shall be deemed to authorize the employment of any accountant, expert bookkeeper, stenographer, additional clerk, or other assistant except only in the examination and auditing of the books and accounts of State departments, bureaus, divisions, officers, boards or commissions, and only for the period of such examination and audit.

Section 20. All Acts and parts of Acts inconsistent with this Act are hereby repealed.

Every such report shall exhibit under appropriate heads the resources and liabilities of the corporation at the close of business on any day past specified by the Commissioner, and shall be transmitted to the Commissioner within ten days after the receipt of a request or requisition therefor from him. An abstract or summary of the report in such form as shall be prescribed by the Commissioner shall be published by the corporation at its own expense, within two weeks from the date of its transmission to the Commissioner, in one issue of a newspaper published in the town or city where such corporation has a place of business in this State, or if there be no newspaper published there, then in one published nearest thereto in the same county. Proof of such publication shall be furnished by the corporation as required by the Commissioner. The Commissioner shall also have power to call for special reports whenever in his judgment the same are necessary.

The Commissioner may require a separate report as to each department conducted by any bank or trust company.

Every bank or trust company failing to comply with this section shall be subject to a penalty of twenty-five dollars for each day that it shall continue in such failure; which penalty shall be sued for by the Commissioner in the name of the State of Delaware unless he shall be satisfied that such failure was not wilfull.

National Banks doing business in this State shall make and transmit to the State Bank Commissioner reports on forms furnished by the Commissioner when he shall call upon such banks for such reports; the object and purpose of such reports being the public good and not the regulation of said banks.

The making of reports to the State Bank Commissioner under this section shall be deemed and taken to be in lieu of the making of reports to any other State official except for the purpose of assessment or taxation.

Section 8. Every director, officer, agent, clerk or employee of any corporation affected by the provisions of Sections 5 and 6 of this Act, who wilfully and knowingly subscribes or makes any false statement of facts or false entries in the books of such corporation, or knowingly subscribes or exhibits any false paper, with intent to deceive any person authorized to examine as to the condition of such corporation, or wilfully or knowingly subscribes to or makes any false report, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine or imprisonment, or both, in the discretion of the Court.

Section 9. If the State Bank Commissioner shall deem that the affairs of any bank or trust company are in an unsound condition because of illegal or unsafe investments, or that its liabilities exceed its assets, or that it is transacting business without authority or in violation of law, or that it is unsafe or inexpedient for such corporation to continue business, he shall communicate the facts to the Attorney General whose duty it

BANKS

shall be to file in the Court of Chancery in any County where the said corporation is doing business a bill or petition setting forth the facts and applying for an order requiring such corporation to show cause why its business should not be closed. In a proper case made, the Chancellor shall have power to appoint a Receiver to take charge of, settle and close up the affairs of such corporation under the direction of the said Court, and to enjoin it from doing business, or to make such other order or decree as the circumstances shall warrant and to the Court shall seem proper. The Chancellor is hereby empowered to make such rules and regulations, and such orders and decrees in the premises as he shall deem proper.

If the State Bank Commissioner shall for any of the reasons specified in this section think it necessary for the protection of the depositors, or of the stockholders, or of the public, so to do, he may take possession forthwith of the place of business of any bank or trust company and retain such possession until an order of Court be made in the premises.

Section 10. Every bank and trust company (except savings banks and savings societies) shall at all times have on hand a reserve fund equal to at least ten per centum of the aggregate of such of its deposits as are payable on demand. The whole of such reserve fund may, and at least one-third thereof must, consist either of lawful money of the United States, gold certificates, silver certificates, or notes and bills issued by any lawfully organized national banking association, or Federal Reserve Bank notes; and if less than the whole of the reserve fund shall be made up of the money and securities aforesaid, then the residue thereof must consist of money on deposit subject to call in any bank or trust company in this State having a capital of at least fifty thousand dollars and a surplus of at least fifty thousand dollars and approved by the State Bank Commissioner, or in any bank or trust company, or with any individual banker or firm of bankers, approved by the said State Bank Commissioner, doing business either in the City of Philadelphia, the City of New York, or the City of Baltimore.

BANKS

The amount to be kept on hand, as provided in this section, shall be called the lawful money reserve.

Every savings bank and savings society in this State, and every bank and trust company in this State conducting a savings department or receiving money on deposit on the condition or with the understanding that the depositor shall not demand or withdraw any money on account of such deposit except after notice given previous to such demand or withdrawal, shall at all times have on hand a reserve fund equal (a) to at least five per centum of its aggregate deposits, if it be a savings bank or savings society, or (b) to at least five per centum of the aggregate of such of its deposits as were received by it on the condition or with the understanding that the depositor should not demand or withdraw any of his deposit except after notice given previous to such demand or withdrawal, if it be a bank or trust company receiving deposits on such condition or with such understanding; provided that both the lawful money reserve against deposits received on the condition or with the understanding that notice shall be given before demand or withdrawal as aforesaid, and also the lawful money reserve against deposits payable on demand must be maintained by every corporation receiving both classes of deposits, provided that the maximum cash reserve required for Mutual Savings Societies shall not be more than Four Hundred Thousand Dollars (\$400,000). The whole of such reserve fund may consist of money on deposit subject to call in any of the depositories hereinbefore specified with regard to the deposit of money reserves, or a part of such fund may consist of money so deposited, and the balance thereof shall then consist either of lawful money of the United States, gold certificates, silver certificates, or notes and bills issued by any lawfully organized national banking association, or Federal Reserve Bank notes.

If the reserve of any corporation comprehended by this section shall be less than the lawful money reserve prescribed by this section, such corporation shall not make any new loans or discounts, otherwise than by discounting bills of exchange payable on sight, or by declaring or paying any dividends until the full amount of its lawful money reserve has been restored.

Upon failure of any such corporation to make good its lawful money reserve within thirty days after notice from the State Bank Commissioner, the said Commissioner may treat such corporation as in an unsound condition and may proceed against it accordingly.

Section 11. No bank or trust company shall carry on its books any of its assets at a sum in excess of the cost value thereof except by and with the written consent of the State Bank Commissioner.

Section 12. No bank or trust company shall make any loans, directly or indirectly, to any person, firm, association or corporation, aggregating an amount which, (including any extension of credit to such person, firm, association, or corporation, by means of letters of credit or by acceptance of drafts for, or the discount or purchase of the notes, bills of exchange, or other obligations of, such person, firm, association or corporation) shall exceed the following percentage of the total capital, surplus and undivided profits of the lender;

(b) Fifteen per centum, (in addition to the amount that may be loaned under the provisions of sub-division (a) of this section) upon collateral security worth at least fifteen per centum more than the amount of such loan so secured; provided, the aggregate amount which can be loaned under sub-divisions (a) and (b) hereof to any one person, firm, association or corporation shall not exceed twenty-five per centum; of the total capital, surplus and undivided profits of the lender; and provided further that no loan which is without collateral security shall be combined or blended with a loan which has collateral security but that the two classes of loans shall be kept separate and independent, and each shall be represented by a separate evidence of indebtedness; or

(c) Twenty-five per centum upon collateral security worth at least fifteen per centum more than the amount of the loans so secured; provided, however, that when loans so secured are made to this amount, then no loans not so secured shall be permitted in addition to such secured loans.

BANKS

None of the limitations or restrictions contained in the previous sub-divisions of this section shall apply to loans, discounts or other extensions of credit secured by bonds or other obligations of the United States, if the market value of such bonds or other obligations exceeds by ten per centum the amount of any such loan, discount or other extension of credit.

In computing loans to any person under this section, there shall be included all liabilities to the lending corporation of any copartnership or unincorporated association of which the borrower is a member, and also all loans made for his benefit or for the benefit of such copartnership or unincorporated associations; and in computing the loans to any copartnership, or unincorporated association under this section, there shall be included all liabilities of its individual members and all loans made for the benefit of such copartnership, or unincorporated association or any member thereof; and in computing the loans to any corporation under this section there shall be included all loans made for the benefit of the corporation.

Section 13. No bank or trust company shall invest more than twenty-five per centum of its total capital, surplus and undivided profits in the stock, bonds or other obligations of any one corporation or political entity or political division except bonds or other obligations of the United States, of the State of Delaware, or of any county, city, town or school district in this state.

Section 14. After the adoption of this Act, no bank or trust company shall purchase shares of its own capital stock, nor make any loan on the faith or pledge of shares of its own capital stock; but nothing in this section shall inhibit such purchase or loan when necessary to prevent loss on debts created prior to the adoption of this Act, nor shall it affect the holding of stock acquired by any bank or trust company prior to the adoption of this Act.

tional bank shall receive any fund in a fiduciary character, whether as executor, administrator, guardian, trustee, or otherwise, it shall deal with such fund as a separate trust and shall preserve the identity thereof.

Section 16. No bank or trust company shall expend more than its paid up capital and surplus on its place of business and the furnishing and equipment thereof, and the vote of two-thirds of its directors shall be necessary to authorize the purchase of land or of a building, or of the construction of a building, for its place of business.

Section 17. No person shall be eligible for election as director of a bank having a capital stock, or of a trust company, unless such person be a shareholder in his own right, or as trustee or guardian of another, of such bank or trust company; and every person elected to be such a director, who, after such election, shall cease to be a shareholder as aforesaid, or who shall hypothecate, or in any way pledge such stock shall immediately become disqualified as such director; provided that this section shall not be deemed or construed to apply to the State directors of the Farmers' Bank of the State of Delaware, or to the directors of any corporation whose charter is incompatible with the provisions of this section.

Section 18. No bank or trust company shall pledge or hypothecate any of its assets except as follows:

(1) To borrow up to but not exceeding the amount of its capital and surplus actually paid in and undiminished by losses or otherwise;

(4) To qualify itself to receive deposits of money of the United States.

The rediscounting, with or without guarantee or endorsement, of notes, drafts and bills of exchange is hereby authorized and shall not be limited by the terms of this Act and shall not be deemed as borrowed money within the meaning of this Act.

No loan made in contravention of this section shall be rendered illegal for this cause as against the lender or holder thereof, but the borrowing corporation shall be subject to appropriate proceedings by the State Bank Commissioner for a violation of law.

No bank or trust company shall pledge any of its assets as collateral security for a loan on a basis that would hypothecate more of its assets at the value at which they are carried on the books of such bank or trust company than one hundred and fifty per centum of the loan.

Section 19. This Act shall not be deemed to repeal Chapter 111 of Volume 30 of the Laws of Delaware but shall be construed as supplementary thereto and amendatory thereof.

CHAPTER 104

BANKS

AN ACT providing for the assessment and taxation of the shares of the capital stock of banks, banking associations, and corporations doing a banking business, having capital stock, and of Trust Companies having capital stock.

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

Section 1. The terms "bank" and "banks" as used in this Act shall be deemed to comprehend every bank and banking association and every corporation doing a banking business having a capital stock and whose principal place of business is in this State, whether organized under the authority of this State or of the United States; and the terms "trust company" and "trust companies" as used in this Act shall be deemed to comprehend every trust company and every corporation doing a trust company business having capital stock and whose principal place of business is in this State.

Section 2. The shares of the capital stock of banks and trust companies shall be assessed and taxed according to their true value, to be determined in the manner hereinafter prescribed; provided, however, that the assessment and taxation shall not be at a greater rate than is made or assessed upon other moneyed capital in the hands of individual citizens of this State.

Section 3. The value of each share of stock of each bank or trust company shall be ascertained and determined by adding together the amount of the capital, surplus and undivided profits of such bank or trust company, and by dividing the result by the number of outstanding shares of such bank or trust company.

Section 4. For purposes of assessment, the president, cashier or treasurer of every bank and trust company, shall on or before the tenth day of July in the year nineteen hundred and

BANKS

twenty-one, and on or before the tenth day of July in each year thereafter, file with the State Bank Commissioner of this State a true statement, verified by the oath of such president, cashier, or treasurer, setting forth the name of such bank or trust company, the location of its principal place of business, the name and residence of each of its stockholders, and the number of shares held by each, the amount of its capital, surplus, and undivided profits, as the same are indicated by its books on the first day of July of the year in and for which such statement is filed. There shall be kept at the principal place of business of every bank and trust company a full and correct list of the names and residences of its stockholders, and of the number of shares held by each, which said lists shall be subject to the inspection of the State Bank Commissioner, his deputy and clerk.

Section 5. The rate of tax upon the shares of stock of banks and trust companies shall be, throughout this State, one-fifth of one per centum upon the value thereof, as ascertained and fixed in the manner in this Act provided, and the owners of such stock shall be entitled to no deduction from the taxable value of their shares because of the personal indebtedness of such owners.

Section 6. The State Bank Commissioner shall after the tenth day of July and prior to the first day of August in each year, beginning with the year nineteen hundred and twenty-one, ascertain from an inspection of the statements filed as aforesaid, and from any other sources of information which may be open to him, the names and places of business of all banks and trust companies in this State, the number of shares of capital stock of each issued and outstanding, the aggregate amount of the capital, surplus and undivided profits of each, the true value of the total capital stock of each issued and outstanding, and the true value of a single share of each, determined in accordance with the provisions of Section 3 of this Act, and the amount of tax levied upon a single share of each in accordance with the provisions of this Act. The determination of the amount to be

BANKS

the tax on a single share of stock of each of said banks and trust companies as aforesaid, shall be deemed to be the assessment and levying of the tax on each share of its stock subject to taxation under the Constitution of this State and of the United States, subject to review and correction as hereinafter provided.

The amount determined to be the tax on a single share of stock as aforesaid shall, within fifteen days after the same has been determined as aforesaid, be certified by the State Bank Commissioner to the bank or trust company whose stock is affected; and it shall be the duty of every such bank and trust company forthwith to notify its stockholders thereof by posting in some conspicuous place in its principal place of business a list of its stockholders and the amount of the tax levied upon a single share of stock as aforesaid, and in the event that any bank or trust company shall fail to give notice as aforesaid, the State Bank Commissioner is authorized to publish at the expense of such bank or trust company the list of stockholders of such bank or trust company and the amount of the tax levied on a single share of its stock in one issue of a newspaper published in the County wherein the principal place of business of such bank or trust company is located; provided, however, that the failure to give such notice or to make such publication shall not be deemed or held to invalidate any tax imposed under this Act or to affect the collection thereof.

The assessment so made as aforesaid shall be reviewed and corrected by the State Bank Commissioner upon application by any party interested, prior to the first day of September in the year in which the tax is levied, provided, that upon such application good cause be shown for such correction. The State Bank Commissioner shall without delay send written notice of his determination upon any such application to the applicant, by mail to the applicant's postoffice address.

Section 7. The shares of stock of stockholders taxed under this Act shall be deemed and held to be taxed in the City or Town where the principal place of business of the bank or trust company issuing such capital stock is located and not

BANKS

elsewhere. The tax assessed against such stockholders as aforesaid shall be a lien upon their stock from the first day of September in the year in which the tax is determined as aforesaid.

Section 8. If any bank or trust company shall by authority of a resolution duly adopted by its directors, notify the State Bank Commissioner that it desires to relieve its stockholders of any assessment of their stock under this Act, and that it will on or before the first day of October in each year thereafter until the adoption of a resolution of withdrawal as hereinafter provided pay to the said State Bank Commissioner a sum equal to one-fifth of one per centum of the aggregate of its capital, surplus and undivided profits without any deduction, then and in such case it shall not be necessary for such bank or trust company to include in its statement filed under the provisions of Section 4 of this Act, the names, residences and holdings of its stockholders, or to notify its stockholders of the assessment of their stock as provided in section 6 of this Act. Every bank and trust company notifying the State Bank Commissioner as aforesaid shall be deemed and held to be indebted to the State of Delaware in a sum equal to one-fifth of one per centum of the aggregate of its capital, surplus and undivided profits, payable on or before the first day of October in each year until the adoption of a resolution of withdrawal as hereinafter provided, and the said indebtedness together with a penalty of one per centum for each month or fraction of a month after the first day of October that the same remains unpaid may be collected by the State Bank Commissioner in the name of the State of Delaware by distress or by action of debt; provided, that nothing herein contained shall be construed as a taxation of property as distinguished from capital stock. The notice to the State Bank Commissioner of the desire to relieve stockholders of the assessment of their stock shall be by filing with the said Commissioner a copy of the resolution of the directors authorizing such notice (the correctness of which copy shall be certified to by the president, or the cashier, or treasurer of such bank or trust company) at the time that such bank or trust company shall file with the said Commissioner the statement required by

BANKS

section 4 of this Act. Such bank or trust company shall have no right to withdraw or revoke the said notice for the year in which it was filed as aforesaid, but may withdraw or revoke such notice as to any subsequent year provided that it file with the State Bank Commissioner on or before the first day of July of such subsequent year a copy of a resolution of its directors (certified to as aforesaid) withdrawing or revoking its aforesaid notice, and until the filing of such a copy of a resolution of withdrawal, the said notice shall be deemed to be binding upon said bank or trust company.

After the filing of a resolution as aforesaid with the State Bank Commissioner, he shall not assess or levy a tax against any of the shares of the stock of the bank or trust company filing such resolution until after the filing of a copy of a resolution of withdrawal as aforesaid.

Section 9. In case of neglect, refusal or failure on the part of any bank or trust company to comply with the provisions of this Act, with reference to the filing of the statements herein required to be made, on or before the time herein provided for the filing of the same, or to submit to the inspection of the State Bank Commissioner, or his deputy, or clerk, the list or statement herein required to be kept in the office of such company and submitted to inspection, the company so neglecting, refusing or failing shall be liable to a penalty of one hundred dollars and an additional sum of twenty-five dollars for each day during which such neglect, refusal or failure continues; which penalty shall be collected by the State Bank Commissioner in the name of the State of Delaware in the same manner as provided in the preceding section.

Section 10. Taxes imposed under this Act shall be due and payable on or before the first day of October in the year in which they are assessed, and after said date shall be collected by the State Bank Commissioner (together with a penalty of one per centum for each month or fraction of a month that the same shall remain unpaid after said date) by public sale of the stock affected to be made by the State Bank Commissioner at

BANKS

the principal place of business of such bank or trust company in this State, after giving the stockholder affected thirty days' notice of the amount of such tax and penalty and the time and place of sale, such notice to be by registered letter addressed to the stockholder at his postoffice address, as the same appears on the statement filed with the said Commissioner. The said Bank Commissioner shall also have the right to require any bank or trust company to withhold the payment of dividends to the stockholder affected and to pay such dividends, or so much thereof as may be necessary, to the said Commissioner in payment of the said tax and penalty.

Section 11. All moneys collected or received under this Act shall be the moneys of the State of Delaware, and it shall be the duty of the State Bank Commissioner to settle for the same with the Auditor of Accounts and to pay all amounts so collected and received to the State Treasurer forthwith.

Section 12. It shall be the duty of the Attorney General to act as the legal representative of the State of Delaware in all actions or proceedings had under this Act, and to render legal assistance to the State Bank Commissioner in executing the provisions hereof.

Section 13. Nothing in this Act shall be deemed or held to repeal, alter or modify any other statute, or any provision of any other statute relative to taxation.

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met (two-thirds of each branching concurring therein):

Section 1. That the Act entitled "An Act Creating the Board of Harbor Commissioners for the City of Wilmington, and Prescribing its Powers and Duties", being Chapter 123, Volume 29, of the Laws of Delaware, be and is hereby amended by adding at the end of Section 12, the following:

Section 13. Commissioners appointed under the provisions of Chapter two hundred and six, Volume Seventeen, Laws of Delaware, to view the Christiana River from where the bridge of the Philadelphia, Baltimore and Washington Railroad Company crosses the same to the mouth thereof, and the Brandywine River from where the bridge known as the Market Street Bridge crosses the same to the mouth thereof, and that part of the River Delaware upon which the City of Wilmington fronts, and the shores and margins of said rivers, within the limits aforesaid, and to fix, alter, readjust, establish and determine lines, beyond which no wharf, pier, bulkhead or other structure or obstruction shall be erected, placed or maintained in the tideway of said rivers within the limits aforesaid, having performed their duties in that behalf, and having returned in writing to the Council of Wilmington their proceedings, together with plots showing said lines, in accordance with said Statute, no person shall erect, place or maintain in the tideway of said rivers or any of them, within the limits aforesaid, any wharf, pier, bulkhead or other structure or obstruction beyond the lines established and determined by said Commissioners in and by their return as afore-

THE CITY OF WILMINGTON

said, except as hereinafter provided. Provided, however, that nothing contained in this Section shall be construed to render unlawful or to prevent the erection and maintenance of suitable abutments, piers, piling and spans for bridges that are or may be authorized by the Laws of this State or of the United States, or the erection and maintenance of suitable fenders and bulkheads for the protection of drawbridges, lawfully authorized and constructed, from ice and freshets, such protecting fenders and bulkheads, however, not to be extended into the waterway within the lines of the open span or draw, or obstruct navigation or interfere with the free passage of vessels through the same. Whenever such protecting fenders or bulkheads shall be deemed necessary for the safety of any drawbridge by the Levy Court of New Castle County, having charge of the construction and maintenance of such bridges, they may be so erected and constructed.

Section 14. The Board of Harbor Commissioners, created under the provisions of Chapter 123, Volume 29, Laws of Delaware, shall hereafter have full power in their discretion to, from time to time, alter, readjust, establish, fix, determine and extend the exterior line of wharves, piers and bulkheads or other structure in any of the navigable rivers or streams, within the limits of the City of Wilmington; and in every such case such alteration or readjustment, establishment or determination of said line, shall be drawn and recorded on the returns or plots, in the Office of the Recorder in and for New Castle County, and when said exterior line has been so altered, readjusted, established or fixed, determined or extended, said line shall be the legal line for all the purposes contemplated by this Act. The said Board of Harbor Commissioners shall also keep and maintain, in their office, a complete copy of said returns or plots, duly certified copies of which, or the record thereof, shall be competent evidence for all purposes. Said Board shall also have power to restore and replace, where necessary, the landmarks establishing said lines whenever said landmarks shall be found to have been destroyed or removed.

Section 15. Whenever any person or persons shall desire

THE CITY OF WILMINGTON

to construct, extend, alter, improve or repair any wharf or other building in the nature of a wharf, pier or other harbor structure, situate within the City of Wilmington, such person or persons shall make application to the Board of Harbor Commissioners, in writing, stating the nature and extent of such proposed structure, extension, alteration, improvement or repairs, and file in the office of the said Board, the plans and specifications showing fully the proposed structure, extension, alteration, improvement or repair, and produce satisfactory evidence of title to the premises on which such proposed structure, extension, alteration, improvement or repair is to be erected or made. If such proposed structure, extension, alteration, improvement or repair, in the opinion of the said Board, will encroach upon the waterway, the Board shall give notice of a public hearing thereon, and the time and place of hearing such application, to all parties interested, by advertising such hearing twice a week for two successive weeks, in two newspapers of general circulation published within the said City, and by posting notice upon the said premises. If the Board, upon such hearing, or without such hearing, where such hearing is not required by the provisions hereof, shall approve such proposed structure, extension, alteration, improvement or repair, and the plans and specifications submitted therefor, the Board shall give its assent thereto, and issue a license or permit therefor, and cause the fact of the issue of such license or permit to be recorded in the Office of the Board in a book to be kept for that purpose. Provided, however, that necessary repairs, costing One Hundred Dollars or less, and not affecting the stability or strength of the structure, may be made without first procuring said license or permit.

Section 16. Whenever any person or persons shall intend to erect or construct any building or other structure, or to alter or repair any building or other structure already erected, on ground supported by bulkheads, or on ground back of any water front or bulkhead, to be physically connected, or already physically connected with, or to be used or already used, as appurtenant to, any wharf, or harbor structure, situate within the City of Wilmington, and for such purpose shall have applied for

THE CITY OF WILMINGTON

a permit from the building inspector in said City, the said building inspector shall notify the Board of Harbor Commissioners of such application, and shall thereafter grant the permit applied for, only after the application shall have received the approval of the Board of Harbor Commissioners.

Section 17. In all cases where any license or permit has been given by the said Board of Harbor Commissioners, permitting the erection, construction, extension, alteration, improvement or repair of any wharf, pier, bulkhead, building, or other harbor structure, within the limits of the said City of Wilmington, the person or persons, to whom such license or permit has been granted, shall, within six months from the date of said license or permit, commence the work for which such license or permit shall have been granted, and shall prosecute such work with due diligence to completion, otherwise said license or permit shall become void. Provided, however, that all licenses or permits granted for the erection, extension, alteration, repair or improvement as aforesaid, prior to the passage of this Act, shall become void within six months after this act shall take effect, unless said work shall have been begun thereon and shall be prosecuted with due diligence to completion.

Section 18. Any person, who shall at any time, erect, place, or extend, any wharf, pier, bulkhead, or other structure, within the limits of the City of Wilmington, extending into the tideway of any of the rivers within said City limits, without first having obtained therefor, a license from the Board of Harbor Commissioners, as herein provided, shall be guilty of maintaining a public nuisance, and said wharf, pier, bulkhead or other structure, shall be deemed a public nuisance, and said person, upon conviction therefor, in the Court of General Sessions, shall be fined not less than One Hundred Dollars or more than One Thousand Dollars, or be imprisoned for the term of six months, or both, in the discretion of the Court; and said Court, if such public nuisance shall not then have been abated, shall order the Sheriff of New Castle County forthwith to abate the same under the direction of the Board of Harbor Commissions of the City of

THE CITY OF WILMINGTON

Wilmington, and shall issue to said Sheriff the writ of said Court commanding him to levy and make of the goods and chattels, lands and tenements of the defendant, the costs and expense of such abatement by said Sheriff; and all the lands and tenements of the defendants, within New Castle County, shall be bound for the amount of said costs and expense, from the time of the issuance of said writ; such writ shall be executed upon either the real or personal property of the defendant, or both, and returned on the first day of the next term of said Court, the Sheriff giving ten days' notice, in a daily newspaper, published in the City of Wilmington, of the sale of the property levied on, by an advertisement describing the property to be sold, and appointing the day, hour and place of sale thereof. The sale of any lands and tenements under such writ shall be subject to the confirmation of said Court, and upon confirmation thereof, said Court shall order the execution of a deed or deeds to the purchaser or purchasers, conveying to him, her or them, the lands and tenements so sold. Such conveyance shall have the same operation, and vest the same title, as a deed by the Sheriff of lands and tenements sold under a writ of venditioni exponas, issuing out of the Superior Court of the State of Delaware. If such sale of real estate shall not be confirmed, said Court may issue further orders of sale thereof, to be executed in like manner. The purchase money of real estate so sold shall not be applied to the payment of such costs or expense of abatement, but shall be held by the Sheriff, subject to the order of said Court, until confirmation of the sale. Provided, however, that nothing in this Section contained, shall be construed to limit or qualify the power of the Chancellor to restrain by injunction, the erecting, placing, or maintaining any wharf, platform, pier, bulkhead, or other structure or obstruction, or any culvert, or sluiceway, contrary to any of the provisions of this Act. And provided further, that said Board of Harbor Commissioners shall have full power and authority, forthwith, to abate and remove any wreck, bar, rock, abandoned material or property, or other accidental obstruction in said rivers, or any of them, within the limits aforesaid, which shall, in the opinion of said Board, be dangerous to navigation; and provided further, that the Chan-

THE CITY OF WILMINGTON

cellor shall have power to restrain, by injunction, any improper exercise by said Board of Harbor Commissioners of the summary power of removal or abatement hereinabove conferred upon said Board. The said Board of Harbor Commissioners shall have power, for the purpose of defraying the costs and expenses of such abatement or removal to sell the property or material so removed, at public sale, first giving ten days' notice thereof in a daily newspaper published in the City of Wilmington, by advertisement describing the property to be sold and appointing the day, hour and place of sale thereof; the balance, if any, of the proceeds of said sale, after defraying such costs and expense, together with costs of sale, shall be paid to the owner or owners of such property or material, or, in case such owner or owners be unknown to said Board of Harbor Commissioners, shall be deposited in any approved depository of the City of Wilmington, to the credit and subject to the order of the Court of General Sessions. The said Board of Harbor Commissioners shall also have power to recover the amount of the costs and expense of such abatement or removal, or any part thereof, in an action of debt, to be brought by said Board, in the name of "The Mayor and Council of Wilmington", against the owner or owners of the property or material so abated or removed, or the person or persons who shall have caused or maintained the nuisance so abated or removed.

Section 19. Nothing herein contained shall be taken or construed to prevent the Council of Wilmington from constructing and maintaining proper sluices or culverts and waterways for the drainage of said City, or to prevent the present public drains or gutters from being emptied into the rivers within the limits of the said City of Wilmington, or to prevent the construction or maintenances of sluiceways, or waterways, for the drainage of marsh or low lands within the limits of said City.

Section 20. The breadth of water front appertaining to the land of each proprietor, or owners, on the banks, or shores, of said rivers, within the limits aforesaid, shall be determined by protracting the lines of such land to the line established by

THE CITY OF WILMINGTON

laws as the limit to which wharves or other structures may be *build, whenever such protraction of said lines will not result in giving to the said owner more, or to any other riparian owner, less, than his proportionate share of frontage on said wharf line. But in case of conflict between riparian owners arising from the divergence or convergence of the lines of their lands, or the lines of any public street, when the same shall be protracted as aforesaid, the said Board of Harbor Commissioners is authorized and empowered to settle and determine the lines and bounds of said owners respectively on said wharf lines; and the said Board of Harbor Commissioners shall thereupon make report in writing of their determination in the premises, with a plot of the lines and frontage so established by them, and file such report and plot in the Office of the Recorder, and retain a copy thereof, as a part of the records of their office. A certified copy of said plot shall be competent evidence for all purposes.

Section 21. The said Board of Harbor Commissioners shall have full power and authority to direct and control the mooring of ships and vessels in the harbor within the limits of the said City, and the position in which they shall lie at the wharves and docks, and the anchoring of ships and vessels in the harbor within the limits of said City, and to make and enforce such rules and regulations in respect thereto, as they shall deem necessary, with penalties for the breach thereof. Provided that such rules and regulations shall not be contrary to the Constitution and Laws of the United States, or of the State of Delaware.

Section 22. The Board of Harbor Commissioners shall, upon application of the master or owner of any vessel or the shipper or consignee of any cargo coming into port in a damaged condition, view the said vessel or cargo, and certify to the underwriter, or other parties interested, the extent and character of said damages, and may perform such other duties, in the premises, as are usually discharged by such officers. And the said Board shall charge and receive such compensation therefor, as

It shall also be their duty to enforce any and all orders of said Board of Harbor Commissioners, touching the abatement or removal of obstructions or public nuisances in the waters of the said rivers within the limits aforesaid. For the purposes aforesaid, the said harbor officers shall, within the limits aforesaid, have all the power and authority of a county constable or policeman of said City, and he shall have the right to call to his assistance, in discharge of his duties, the Sheriff, or any constable of New Castle County, or any police officer of said City. If any master or captain of any ship or vessel shall refuse or neglect to comply with the directions of any harbor officer, in matters within the jurisdiction of his office, or if any person whomsoever shall obstruct or prevent the said harbor officer in the execution of his duties, such master, captain or other person, shall be guilty of a misdemeanor, and shall, upon conviction thereof, be fined not less than Twenty Dollars nor more than Five Hundred Dollars.

Section 24. Whenever the owner, owners or lessee of any wharf, pier, or bulkhead, within the limits of said City, shall fail to keep and maintain the adjoining dock, docks, or slips cleaned and free from obstructions, it shall be lawful for the Board of Harbor Commissioners, upon default for thirty days after the service of notice on such owner or owners, by said

AN ACT to establish a Board of Water and Light Commissioners for the City of New Castle.

WHEREAS, the City of New Castle is about to arrange to purchase and operate the present water and electric light systems in the City, and the Council of the City and the citizens generally desire that the management and operation of the said water and light systems when taken over by the City shall be placed in the hands of a commission created for that purpose.

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met (with the concurrence of two-thirds of all the members elected to each branch of the General Assembly) :

Section 1. A Board of Water and Light Commissioners for the City of New Castle is hereby created, which shall be composed of three members who shall be residents of and qualified voters of the City of New Castle and who shall have resided in said City for at least three years prior to their appointment. They shall serve until their successors shall have been appointed and qualified. One of said Commissioners shall be appointed by the Mayor of the City, one by the Council of the City, and one by the Trustees of the New Castle Common of said City. The first Commissioners shall be appointed as soon as practicable after this Act goes into effect. The first Commissioner appointed by the Trustees of the New Castle Common shall serve until April 1, 1922; the first Commissioner appointed by the Mayor shall serve until April 1, 1923; and the first Commissioner appointed by the Council of the City shall serve until April 1, 1924; and thereafter in the month of March in each year a successor to the Commissioner whose term expires on April 1 in that year shall be appointed for the term of three years by the power who appointed the member whose term is to expire. Any vacancy during a term shall be

CITIES AND TOWNS

filled for the remainder of the term by appointment of the power who made the original appointment. In exercising the above appointing power, the Mayor shall not appoint himself, the Council shall not appoint one of its own members, and The Trustees of the Common shall not appoint one of its own members.

Section 2. The Commission shall organize as soon as possible after the approval of this Act, and thereafter in April of each year, and elect one of their number as President and also a Secretary. The City Treasurer shall be Treasurer of the Commission, and shall hold the funds of the Commission in a separate account at the New Castle Trust Company, and shall pay the same out on orders signed by the President and Secretary. He shall give such additional bond as the Commissioners may require. The Commissioners shall receive no salary for their services, but shall be paid for their necessary expenses in the performance of their duties. No Commissioner shall hold any office of profit under the Commission or contract with it for work or supplies.

Section 3. The said Board of Water and Light Commissioners shall have control of the water and electric light supply in the City of New Castle, and the management and operation of the City water system and the City light system shall be entirely under their control, direction and supervision, and for this purpose they shall have power to enter into contracts on behalf of the City and in the name of the Municipal Corporation. They shall have charge of the collection of and shall receive all revenue due for water and light, which shall be held by the City Treasurer subject to the order of the Commissioners, and shall fix the rates for water and light from time to time. They shall appoint a superintendent and regulate his duties, and shall provide for such other employes as may from time to time be necessary, and shall fix the salary or pay of all employes. They shall provide for all supplies and work that may from time to time be necessary, and in general shall have full charge of the maintenance and operation of the City water and light system. The Commissioners shall have the power to borrow temporarily from time to time on the faith and credit of the City in order to provide for the current expenses of maintenance, replacement and operation; but the

CITIES AND TOWNS

Commissioners shall have no power to enlarge or extend the water and light system, plant, mains, lines or apparatus, except out of surplus earnings, without the authority and approval of the Council of the City first had and obtained.

Section 4. The Commissioners shall meet at least once every month, and shall have power to make all needful rules and regulations for their meetings and for the regulation of the employes. They shall also have power to make rules regulating the use and supply of water and light by and to consumers. They shall establish regulations for the payment of bills for water and light, and may cause suit to be brought in the name of the Municipal Corporation for all bills overdue. All sums due for water shall be a lien upon the property to which such water was furnished in the same ways as the taxes due the City of New Castle. The Commissioners shall arrange for the prompt collection of all sums due for water and light, and shall have power to make rules for cutting off the service when bills are overdue.

Section 5. The Commissioners shall furnish to the Mayor, the Council of the City and the Trustees of the Common, quarterly, a full statement of their receipts and expenses, and shall in July of each year publish an annual statement and report for the benefit of the Citizens of New Castle.

Section 6. The Superintendent appointed by the Commissioners shall be paid a monthly salary to be fixed by the Board, and shall devote all his time to the work and shall not be engaged in any other occupation. He shall have direct and actual charge of the operation of the water and light system, and shall select the other employes, subject to the approval of the Commissioners. He shall attend the meetings of the Commissioners and furnish them reports as to the condition of the property, and shall also promptly report any accident or unusual condition.

Section 7. In lieu of water and light rental for the water and light supply to the City itself, the Council shall turn over from time to time to the credit of the Commissioners such sums as may be necessary to meet any deficiency for current bills of

CITIES AND TOWNS

the Commissioners. In July of each year, or oftener in their discretion if the revenue warrants, the Commissioners shall turn over to the Council of the City such sum in their hands as may not be required to provide for current expenses and operation, which sums shall be used by the Council for the payment of interest on the water and light bonds and for a sinking fund for the payment of said bonds.

The Council and the Commissioners may, by mutual agreement if deemed desirable, arrange that the City shall pay a fixed rental to the Commissioners for the water and light supplied to the City in lieu of the above payments to meet a deficiency.

The Commissioners shall aim, in the operation of the systems and in fixing the rates, to produce revenue at least sufficient, when supplemented by fair allowances by the City for the water and light furnished for public purposes, to pay the operating expenses of the system and the interest on the water and light bonds as well as provide for ordinary maintenance.

Section 8. The Commissioners are intended to be merely a separate agency of the City for the operation of the water and light systems, and all contracts and bills shall be in the name of and on behalf of the Municipal Corporation, through the agency of the Commissioners.

Section 9. The Council of the City shall have the power to remove any Commissioner upon proper cause shown, but such removal shall be only after charges made and hearing thereon and by vote of two-thirds of all the members of the Council.

Section 10. The Commissioners shall have full control and direction of the expenditure of all money borrowed by the City, by bond issue or otherwise, for the improvement or alteration of the said water and light systems, and such money shall be held by the City Treasurer subject to the direction of the Commissioners.

The State Board of Education may include such part of the total cost of all such plans in its biennial school budget as it thinks proper to be appropriated by the State.

Whenever it shall be necessary to institute condemnation proceedings to acquire any land for school purposes as provided in this Article, the Board may apply to the Associate Judge of the State of Delaware, resident in the county where such land is located, for the condemnation thereof, and the said Resident Judge shall thereupon appoint five judicious and impartial freeholders residing in the district applying for such condemnation, to view the premises and assess the damages which the owner, or owners, will sustain by reason of the taking of the said lands for the purpose aforesaid. The freeholders shall be sworn or affirmed faithfully and impartially to perform the duties assigned them. They shall give ten days' notice, in writing to the owner, or owners, of the premises proposed to be condemned, if within the State and to the Board of the time of their meeting to view the premises and assess damages. If the owner, or owners, reside outside of the State, or if under legal disability, and have no legal representative in the State, publication of such notice shall be made in some newspaper in the county in which proceedings were instituted at least ten days prior to the date fixed for said meeting, and such publication shall be sufficient notice thereof. The said Judge may substitute other freeholders in the place of any freeholder who for any reason may be unable to serve. When the final award has been made and

accepted the proceedings shall be duly recorded by the Prothonotary. When the amount of damages has been ascertained the said State Board of Education or the said Board of Education of the Special School District may pay, or tender the amount thereof within two months to the person or persons entitled thereto, or if, for any reason, payment cannot be made to the owner or owners, the amount of the said damages may be deposited to the credit of the persons entitled thereto in the Farmers' Bank of the State of Delaware, at the county seat of the county in which said proceedings are instituted, and thereupon the said lands may be taken and occupied for the use and purpose for which said lands were condemned. The said freeholders shall be allowed three dollars per day for their services, which sum, together with other expenses of the condemnation proceedings, shall be paid by the Board applying.

Section 53. The Board of Education of the Special School District is authorized, and empowered to issue bonds on the credit of the school district, in amounts sufficient to carry out the building program of said district approved by the State Board of Education.

Said Board of Education of any school district shall not issue bonds for the purpose of this Section in a greater amount in the aggregate than five per cent of the assessed value of the real estate of such school district. Such bonds shall not be issued or sold at less than their face value, and shall be issued in series, and all bonds authorized to be issued at any time within a calendar year shall constitute a series. No bond of any given series shall run more than twenty-five years. The bonds provided in this Section shall be in such denomination or denominations, in such form, and shall bear such rate of interest, not exceeding six per cent., per annum, as shall be determined by the Board of Education of the district. The said bonds shall be denominated as of the district and year in which they are issued, and the principal and interest shall be made payable at the branch of the Farmers' Bank in the county in which said bonds are issued, and the said bonds shall be exempted from all state, county or municipal taxes.

The text of the bonds shall provide for the payment of interest of any series of bonds and of the principal of any series of bonds by equal payments each year for twenty-five years, or for the period of such series of bonds. The authority to issue such bonds shall be construed to be authority to provide for the interest and annual payments on such bonds which, without further authority, shall be provided for by an additional tax levy on the real and personal property of the district issuing such bonds as provided by Article IX, of this Act.

The bonds to be retired shall be ascertained each year by lot or otherwise and when called for redemption shall be surrendered by the holders thereof on the date fixed for redemption. Interest on bonds so called for redemption shall cease on the date fixed for redemption.

Before any bonds shall be authorized and issued under the provisions of this Section a special election shall be held in the usual places and in the same manner as other school elections of which notice shall be given by advertisements setting out the purpose of said election published in at least two newspapers in the county at least once a week for at least two weeks before the day of said election, the last publication thereof to be at least five days before the said election, and by notices being posted on the door of the voting place where such election is to be held. The polls for said election shall open at one o'clock P. M. of the day advertised for the said election according to said advertisements and remain open until eight o'clock P. M. of the said day and the said election shall be held by such persons as shall be designated by the Board of Education of the district concerned, and if the persons so designated are not present at the time for opening the polls the voters present may name election officers consisting of an Inspector, two Judges and two Tellers to hold said election.

For determining the result of said vote, the officers holding the election shall at once ascertain the result, and certify the same and deliver the ballots cast to the State Board of Education, which shall sit on the fourth day after the vote, Sundays and legal holidays excepted, and canvass the vote, and declare the result by an advertisement published in two or more newspapers of the county in which the district is located. Upon the application of twenty-five voters of any voting district in which the election is held filed with the State Board of Education before it begins its canvass of said vote, the State Board of Education shall recount the ballots voted in any such election district, and if any difference in the result shall be found they shall cause the certificate or certificates of the result to be corrected in accordance with such recount. The State Board of Education shall make out a certificate of the result of such vote which shall be filed and kept in the offices of the State Board of Education as a public record. If at such election a majority of the vote cast throughout said district shall be for the bond issue, then bonds to the amount voted upon shall be issued as in this Section provided, but if at such election a majority of the votes cast shall be against the bond issue, then the bond issue proposed shall not be made.

Before such tax is levied, a special election shall be held at the usual place or places for holding school elections in the school district. Notice shall be given for such election by notices posted on the door of the school house where such election is to be held, at least ten days before the day of holding such election and by such advertisement in newspapers of the district or county as, in the judgment of the Board of the district, will give notice to the voters of such election. In such notice, the amount to be raised and the purposes of raising the same shall be stated. At such election every person qualified to vote at the school election in the district shall be qualified to vote.

The election shall be held by such persons as shall be designated by the Board of the district. If the persons so designated or any of them are not present at the time for opening the polls the voters present may name persons to take the place of those who are absent. The vote shall be by ballot on which is written or printed: "For additional tax," or "Against additional tax." The polls shall open at two o'clock in the afternoon and close at five o'clock in the afternoon.

The officers holding the election shall meet after the close thereof to ascertain the result and certify the same to the State Board of Education if the election is held in any School District, and to the Board of Education of a Special School District if the

election is held in a Special School District, who shall, on the third day after the election, declare the result of such election in such manner as shall be deemed proper. If ten or more voters of the district in which the election is held shall petition for a recount before the day for announcing the result to the State Board of Education, if the election is held in any School District, or the Board of Education of any Special School District if the election is held in any Special School District, the ballots cast in the district shall be recounted and the results shall be announced in accordance with such recount. The ballots shall be retained and kept safely until the day for announcing the result and shall be delivered to the Board making the recount when called for by it. If, at such election, the majority of the votes cast shall be for additional tax, the said tax shall be levied and collected as follows:

The Board of School Trustees or the Board of Education of a Special School District in which the tax is to be levied shall cause to be made from the assessment records of the county in which the district is located, a list of all the taxables of the district, showing the property assessed against such taxables and the assessment of such property. There may also be added a poll tax on all persons twenty-one years of age and upwards residing in the district of such amount as shall be determined by the Board.

A copy of the assessment list shall be posted in some public place of the district for inspection and the Board shall advertise such posting in at least five public places of the district, giving notice that such list is posted and where, and the day, hour and place (not less than five days thereafter) of their sitting to hear objections. Upon such hearing the said Board shall make such corrections and additions as shall be right and proper.

Upon the completion of the assessment, the Board shall fix the rate sufficient to raise the amount determined to be raised at that time with an addition of ten per cent added thereto for delinquencies and costs of collection. The Board shall then execute and deliver its warrant with a duplicate of the assessment list to the collector specially appointed by the Board. Such collector

shall be appointed by the Board and shall be required to give such bond as shall be required by the Board. In collecting the said tax, he shall proceed in the manner and have all the powers of the collector of county taxes. He shall pay over all moneys collected by him to the Board, as collected and shall finally account to said Board when required to do so. Said Board shall in such final accounting allow such delinquencies and errors as are right and proper to be allowed and shall pay such collector a proper compensation for his services. In the case of a School District, the moneys raised by such levy shall be paid over to the County Treasurer and paid out by him on the orders of the Board of Trustees of the School District, and in the case of a Special School District, on the orders of the Board of Education of the Special School District, the said orders being signed by the presiding officers and Secretaries of the said Boards and said moneys shall be used exclusively for the purpose for which the levy is made.

AN ACT to amend Chapter 80 of the Revised Code of the State of Delaware in reference to limited partnerships.

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

Section 1. That Chapter 80 of the Revised Code of the State of Delaware be, and the same is, hereby amended by repealing the whole of Article I thereof, designated therein as 2886. Sec. 1, 2887. Sec. 2, 2888. Sec. 3, 2889. Sec. 4, 2890. Sec. 5, 2891. Sec. 6, 2892. Sec. 7, 2893. Sec. 8, and 2894. Sec. 9, and substituting and inserting in lieu thereof the following new Article I, with the designations hereafter appearing.

PARTNERSHIPS—ARTICLE I

LIMITED PARTNERSHIPS

2886. Sec. 1. **FOR WHAT PURPOSES FORMED:—**Limited partnerships may be formed for the transaction of any business except the business of granting policies of insurance or assuming insurance risks or any business necessarily requiring the exercise of a banking power.

2887. Sec. 2. **GENERAL AND SPECIAL PARTNERS:—**Such part-

LIMITED PARTNERSHIPS

nerships may consist of one or more general partners, liable as such, and one or more persons contributing to the fund of the partnership a specified sum in actual cash payment or the equivalent thereof in property at its then actual cash value, as capital, who shall be special partners and shall not be personally liable for any debts of the partnership, except in the cases hereinafter mentioned.

2888. Sec. 3. HOW FORMED; CERTIFICATE; CONTENTS; HOW EXECUTED, RECORDED AND PUBLISHED:—When such partnership is formed, and at every renewal, or extension thereof, the members thereof shall sign a certificate of the partnership name, and its general object; the name and residence of each partner; the sum each special partner contributes; and the time when the partnership is to commence and end. The certificate shall also be acknowledged before a Notary Public, and recorded in the Recorder's office of every County in which the firm has a separate place of business, and shall be published in at least one newspaper in each County of the State in which the firm has a separate place of business. If a certificate be not so made, recorded and published, the partnership shall be deemed general, and all the members liable accordingly.

2889. Sec. 4. BUSINESS; IN WHOSE NAME AND BY WHOM CONDUCTED; LIST OF MEMBERS TO BE POSTED:—The business shall be conducted in the names of the general partners only unless the limited partnership is formed as the business successor of either a pre-existing general partnership, limited partnership or corporation, in which case the new limited partnership being formed shall have the right to use the name of the pre-existing general partnership or limited partnership to which it succeeds, regardless of whether such name contains the name or names of any one or more of the special partners in the newly formed limited partnership, provided consent to the use of the name of such pre-existing general partnership or limited partnership is given to the newly created limited partnership by all living members of the pre-existing partnership whose names appear in the partnership name of such pre-existing partnership, and such newly created limited partnership shall have the right to use the

LIMITED PARTNERSHIPS

corporate name of any pre-existing corporation to which it succeeds in business provided such corporation shall have been dissolved and further provided that there is nothing in such name to indicate that it is the name of a corporation rather than a partnership, and neither the word "Company" nor the abbreviation "Co." shall be considered as so indicating.

The business of a limited partnership may be conducted and transacted by any of the partners, general or special, indiscriminately, as the business of a general partnership is conducted and transacted, unless the above mentioned certificate shall designate some one or more of the special partners who shall not be authorized to conduct or transact any business for the limited partnership. All partners authorized to conduct or transact the business of the limited partnership shall be liable to account to each other and to the special partners not so authorized, for their management of the business, in the usual manner.

The limited partnership must cause to be placed in a conspicuous place on the outside and in front of the building in which is its principal place of business a sign on which is printed, in legible English, the names in full of all the members of such limited partnership, designating which are general and which are special partners.

2890. Sec. 5. CAPITAL; NOT TO BE WITHDRAWN OR REDUCED; LIABILITY OF SPECIAL PARTNER:—No part of the sum which any special partner contributes to the partnership capital shall be withdrawn by him or paid or transferred to him, in the shape of dividends, profits or otherwise, at any time during the continuance of the partnership; but any such partner may annually receive lawful interest on the sum so contributed by him, if the payment of such interest does not reduce the original amount of such capital; and if, after the payment of such interest, any profits remain to be divided, he may also receive his proportion of such profit. But if by the payment of such interest or profits to any special partner the original partnership capital is reduced, the special partner receiving the same must restore the amount necessary to make good his share of capital, with interest, and

LIMITED PARTNERSHIPS

he becomes liable as a general partner for debts contracted until he returns such amount, to the extent of the amount so withdrawn.

2891. Sec. 6. PREFERENTIAL TRANSFER VOID:—Every transfer of the property of a special partnership, or of a general partner therein, made after or in contemplation of the insolvency of such partnership or general partner, with intent to give a preference to any creditor of such partnership or partner over any other creditor of such partnership, is void against the creditors thereof; and every judgment confessed, lien created, or security given, in like manner and with the like intent, is in like manner void.

2892. Sec. 7. SUITS; IN WHOSE NAME CONDUCTED:—Suits shall be conducted by and against the general partners only; except in the aforesaid cases where special partners are liable generally, or where the special partnership is to be deemed a general partnership, in which cases all may join, or be joined; and excepting also those cases where special partners are held responsible for sums received, or withdrawn, as aforesaid.

2893. Sec. 8. DISSOLUTION; HOW EFFECTED:—No dissolution of such partnership shall take place except by operation of law, before the time stated in the certificate, unless notice thereof be recorded in each place where said certificate was recorded and also be published in the same manner as the certificate.

2894. Sec. 9. PARTNERSHIPS GENERAL, EXCEPT AS PROVIDED IN THIS ARTICLE:—All partnerships not created and conducted in the manner prescribed in the foregoing sections of this Chapter shall be deemed general partnerships and all the members thereof shall be liable as general partners.

PROCLAMATIONS OF THE GOVERNOR

PRINTED IN ACCORDANCE WITH PROVISIONS OF CHAPTER 10 OF THE
REVISED STATUTES OF 1915

PROCLAMATION

STATE OF DELAWARE,

EXECUTIVE DEPARTMENT.

Inasmuch as the loyal citizens of Delaware have consistently done everything within their power to bring to our beloved country that victory which we have so recently won,

I, John G. Townsend, Jr., Governor of the State of Delaware, do now proclaim that every State office be directed and every person within the State of Delaware be requested from this day forward until the tenth day of May to display the American Flag and such other flags of the Allies as he may possess, in honor of the victory achieved by our Country, and in aid of the Victory Liberty Loan.

It is meet and proper that we should fling out our banners far and wide. God's will has been done. Right has again conquered might. The thing which we prayed for is that which must now be paid for.

Every home, every place of business, every church and

PROCLAMATIONS

every school building, should display those colors which are emblematical of American efforts to make the world a better place to live in. We thus help the workers who are organized to distribute the Loan among the greatest number of people, and we again remind ourselves of the joyful opportunity of subscribing to this truly great Thanksgiving Loan, which brings so many of our lads home and honors those whose death has so consecrated the fields of France.

IN TESTIMONY WHEREOF, I, John G. Townsend, Jr.,
Governor of the State of Delaware, have here-
unto set my hand and caused the Great Seal of
this State to be hereunto affixed this twenty-
[GREAT SEAL] third day of April, in the year of our Lord, one
thousand nine hundred and nineteen, and of
the Independence of the United States of
America, the one hundred and forty-third.

JOHN G. TOWNSEND, JR.

Secretary of State.

PROCLAMATIONS

PROCLAMATION

STATE OF DELAWARE,

EXECUTIVE DEPARTMENT.

We in America learned long ago to esteem the work of the Salvation Army and to perceive the greatness and the beauty of its service to the poor, the unprotected and the forlorn in all the byways of civilization. This mighty body of consecrated workers moved our people to an affectionate regard by the nature of its service on the battlefields in France. Its members carried a passion for Christian service and sacrifice to the trenches, through the fire, wherever men were hurt or unhappy or in want. They were brothers and sisters to our absent men. The highest tribute to their zeal has come from other devoted men and women in the Red Cross, Y. M. C. A., the Knights of Columbus and the Jewish Welfare Board with whom they co-operated.

THE SALVATION ARMY now proposes to extend its service in the United States and to contribute the inspiration of its great purpose to the times ahead. In the week beginning May 19 this great Army of Service will go before the American people with an appeal for financial aid and support. It has always given more than it has received. Its cause is one which I deem worthy of the confidence and support of all our people.

THEREFORE, I, John G. Townsend, Jr., Governor of the State of Delaware do cordially commend the Salvation Army and call upon our people to give earnest heed to its call for assistance to make liberal donations to its praiseworthy work that we may thus make manifest a resolute purpose to give unstinted aid and support gladly to all those noble and self-sacrificing agencies which under God, give help and hope to all who may be in need. And in furtherance of this movement I proclaim Sunday, May

PROCLAMATIONS

18th, 1919, "Salvation Army Day" and urgently recommend that the ministers of all our Churches present this cause to their congregations on that day and that all in charge of public meetings give some place in their order of exercises to the consideration of this most worthy cause.

GIVEN under my hand and the Great Seal of the State, at
Dover, the fifteenth day of May, in the year of
our Lord one thousand nine hundred and nine-

*THANKSGIVING DAY**PROCLAMATION*

Of all the Days of Honor celebrated, and Anniversaries of Events observed, none so much attracts as that of Thanksgiving. It is a day that appeals to all. All phases of political thought, all forms of creed, all rank of station, at this season of the year, bow in humble recognition of Divine Guidance and render thanksgiving for the blessings bestowed.

Through the years just past, our people have been blessed with the privileges to serve and sacrifice for those causes of Right and Justice as we, in our honor, conceived. Those principles, so courageously defended, stand today triumphant. In the glory of that achievement, we have lived and revelled during the past year. The God of Nations has been good to America. But with this Glory of Victory, there comes an obligation of citizenship that with our thanksgiving for blessings received, there needs to come a reconsecration for the duties that attend. In the unrest of mind, and confusion of action, incident to the war, we should sense seriously that our Ideals of Government conceived nobly by our fathers, and defended successfully by our sons, should, by our thought and energy, be ennobled gloriously for those who follow us. The year before us, if we live true to the thoughts and events of the past, will demand our best thought and consecrated energy. Democracy is no longer an American theory, but a world-acknowledged fact. And De-

PROCLAMATIONS

mocracy in its truest conception means advance in all those activities tending to the increased welfare of society. Holding this view, our tasks are well and practically defined.

For these blessings received, for these opportunities accorded, and in keeping with custom and Official Proclamation, I, John G. Townsend, Jr., Governor of the State of Delaware, do designate

THURSDAY

NOVEMBER THE TWENTY-SEVENTH

THANKSGIVING DAY

and seriously urge that our citizens relieve the tensivity of thought and complexity of routine, and render devoted thanks to Almighty God. May we perfect our sincerity for these blessings by a strong determination that the problems of the coming year shall receive all the honor and power that is ours to give.

IN TESTIMONY WHEREOF, I, John G. Townsend, Jr., Governor of Delaware, have hereunto set my hand and caused the Great Seal to be affixed at Dover, this eighteenth day of November, in the year of our Lord One Thousand Nine Hundred and Nineteen, and in the year of the Independence of the United States the One Hundred and Forty-fourth.

WAR ANNIVERSARY PROCLAMATION

Upon a peaceful world in 1914 broke the catastrophe of war.

Against the diabolical armies of a power-mad enemy, the European Allies fought desperately and with supreme courage.

For three years all Europe was torn with the most terrible conflict in the conception of man, and after these years, when the victory of right over might hung most perilously in the balance, the United States entered the War, April 6th, 1917.

The tired fighters, cheered by the fresh vigor and spirit of a new and great ally, and the American men, inspired by the courage and sacrifice of the allied nations, together turned back the tide of devastation, and the cause of civilization triumphed.

But their dearly-bought victory is yet to be completed. The clash of arms has hardly died away, the peace treaties have not been signed, a few at least of our American men are still abroad, and the adjustments of civil life have hardly begun.

Yet already we turn from the task, we, who have not suffered in any comparable degree to those nations who gave their all, we who are so much better able, (having escaped as we did, the actual physical and spiritual desolation of war) to raise afresh before a wearied world, the glowing standards of a happy and successful democracy.

It is therefore fitting, that on April 6th, the anniversary of our entrance into the War, our people should express their grati-

PROCLAMATIONS

tude not only to our own men, who brought us honor and glory and peace, but to the soldiers of all our allies; and it is incumbent upon us that we now rededicate ourselves to the cause for which they suffered and died.

Especially should we see to it, that the children, who are the present hope and the future guardians of our democracy, shall be impressed with the issues and the lessons of the war, in order that they may realize that right living, and education, and devotion to the common good are necessary, if "Government of the people, by the people, and for the people" shall be, and remain.

THEREFORE, I, John G. Townsend, Jr., Governor of Delaware, do designate and set apart the day of April 6th this year, in this State, as a day of thought and resolve, as well as of gratitude; and do urge that the people, and the educational authorities, shall so use this day, to the best of their ability, their circumstances, and their true and loyal citizenship.

IN TESTIMONY WHEREOF, I, John G. Townsend, Jr., Governor of the State of Delaware have hereunto set my hand and caused the Great Seal to be affixed at Dover, this twenty-ninth day of March, in the year of our Lord one thousand nine hundred and twenty, and in the year of Independence of the United States the one hundred and forty-fourth.

STATE OF DELAWARE

EXECUTIVE DEPARTMENT

Thanksgiving is an American Institution. It represents the spirit of the Home—and upon such is America founded. Around other days cluster the thoughts and memories of some deed or event. Thanksgiving glows with the Ideals of the Fireside. All nationalities, all creeds, all schools of thought, political or social, acknowledge with appreciation the Idea that inspired this day.

Stressed with events, that challenged all we most loved, our Nation, conceived and founded on Home, still lives. The strength of our Ideals, our achievements, human and continuous, still prevail against evil thoughts and malicious powers. Law and order are supreme, and rights of liberty under them are enjoyed.

During the year our State has been blessed with peace and prosperity. Our efforts in daily labors have yielded ample rewards. Our opportunities to assist our fellow man have challenged our better selves.

To this and for these, according to custom, so richly inherited, and by proclamation of the President, I, JOHN G. TOWNSEND, JR., Governor of the State of Delaware, do designate

THURSDAY

NOVEMBER THE TWENTY-FIFTH AS

THANKSGIVING DAY

and call upon the people of Delaware to lay aside the complexities

PROCLAMATIONS

of the day and to gather once again around the Fireside and shrines of Worship and render true and sincere celebration for this day.

And in our prayers of Thanksgiving for the blessings of our heritage and day, may we more truly resolve to give more of ourselves, of our thought, our time, our energy and of our wealth to the welfare of our State. May we, too, render more unselfishly those civic duties that worthy citizenship expects. For by public service, do we render most truly, our personal Thanksgiving.

IN TESTIMONY WHEREOF, I, John G. Townsend, Jr.,
Governor of the State of Delaware, have here-
unto set my hand and caused the Great Seal to
[GREAT SEAL] be affixed at Dover, this eighteenth day of No-
vember, in the year of our Lord, one thousand
nine hundred and twenty, and in the year of
the Independence of the United States the one

JOHN G. TOWNSEND, JR.
