Activity Part A

Create a list of complaints you have about your school rules or policies. Then create a list of alternative rules or policies that you could replace your schools’ policies. Explain why that alternative may be more beneficial to your school.

Schools’ rules or policies you disagree with:	Alternatives to your schools’ rules or policies:

Research Activity Part A

Pick 5 complaints from the list provided by your teacher, research what the national problem is, why that problem is important, and how might this problem be solved

Complaint	Description of Complaint	Why is it important?	How can this complaint be solved?

Research Activity Part B

Discuss what they 4 most important national problems may be, then discuss why them problems might be the most and important and how they can be fixed.

Problem:	Why does your group think this is the most important national issue?	How can it be solved?
