Welch Reunion

The descendants of Jacob and Ann Killen Welch met at Wheeler's Park, Harrington, Delaware, June 25, 1961, with President Samuel Welch presiding. There were 102 relatives and 10 visitors present. We wish to express deep regret that historian, Mr. Carroll Welch, Sr., was unable to attend, but his report was read by the president. The oldest member present was Mr. Charlie Welch, and the youngest member present was the daughter of Mr. and Mrs. Carroll Welch, Jr. The relative that came the longest distance was Mrs. Georgia Machin of Baltimore, Maryland, and the largest family was Mr. and Mrs. Johnnie Dulin, Jr., and family. The reunion will be held next year the fourth Sunday in June, or in case of rain the following Sunday at Wheeler's Park.—William A. Robinson, secretary.
