

In act to establish the line between Duck Creek and Little Creek hundreds in Kent County.

Whereas it hath been represented to this General Assembly that Duck Creek and Little Creek hundreds are divided by the main branch of Little Duck Creek, but that the said creek does not extend to the Maryland or Stone line, so as to make a plain and distinct line, but branches off into several small streams or swamps, causing a great difference of opinion respecting the line between said hundreds.

Section 1. Be it therefore enacted by the Senate and House of Representatives <sup>of the State of Delaware</sup> in General Assembly met, that the dividing line between Duck Creek and Little Creek hundreds, shall commence at the mouth of Little Duck Creek, thence up said creek binding with the several courses thence to Register's mill; thence through the mill pond of the said Register's mill,

Walt's

Wail's heirs, and Clock's mills with the main stream or water courses thereof, until it crosses the State road leading from Heron to Sadlers cross roads in the State of Maryland; thence with said road to the Stone line so called between this State and the State of Maryland: And the same to be and remain the dividing line between the said hundreds.

Section 2. And be it further enacted, That the Levy Court and court of Appeals, of and for Kent County, shall, at their March sisscony, correct the Assessment lists of each of the said hundreds agreeably to the line laid down by this act; and the Assessor of each of the said hundreds is hereby directed and required to give to the said court, such information as will enable them to correct said lists.

Passed at Dover  
February 4. 1823.

George Clark, Speaker of the  
House of Representatives  
Charles Thomas Speaker  
of the Senate.

An act to establish  
the line between Duck  
Creek and Little creeks  
hundreds in Kent  
County.
