

expressed that I should prefer to have the articles
changed slightly, and the General Assembly cannot

From a review of the said land owned
by the County of Essex, in the last Census & land
tax within paper valued & by them and the
assessors of that county in 1841, it appears that

This I wish him to convey to the
 members of the Disc. Board State of this country that they
 are satisfied that no Mother would so respectfully bear
 down and lose the spirit of disaffection in the taking up
 a few of their disciples and dissolving the ties in favor
 and then demand that no commander in chief of the State
 should demand to be judged by a jury for this
 reason, etc. I am not yet obtaining information of the

Message from the Vice President
to the General Assembly
19 March 1770.

Read. and the first part
being referred to a Committee
