COLLECTION /PHOTOGRAPH NUMBER

DESCRIPTION

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Publications in which materials are to be used* _____

Date of publication _____

* Approval of this application shall be conditioned upon applicant using the credit line "Delaware Public Archives" on all reproductions. Applicant hereby agrees to include this credit line on all reproductions and to provide the Delaware Public Archives with a copy of the publication(s) in which the items appear, when published. If the documents are to be mounted on the web a copy of the electronic documents or images is required to accompany this request to the Delaware Public Archives. Please be advised that the Delaware Public Archives may create a link on our website to any other website where materials included above appear.

The requester agrees that all items copied onto film negatives, prints, transparencies, video recordings, web documents, or other types of medium from our holdings will be visibly identified as coming from the Delaware Public Archives. Noncompliance with this agreement may mean violation of copyright law. All responsibility for infringement of legal copyrights is assumed by the user of the materials.

The Delaware Public Archives looks forward to receiving a copy of the publication upon release.

Stephen Marz, CA
Director, Delaware Public Archives
and State Archivist
